

CELINE JERSEY TOPCO LTD DIRECTORATE ANNOUNCEMENT

London, 9 April 2020:

Given the change in circumstances in the Debenhams group of operating companies, the non-executive board members of the parent company, Celine Jersey Topco Limited, comprising Kevin Conroy, Dr. Beatrice Lafon, Stephen Sunnucks and John Walden, have resigned from the Board. They were hired near the end of 2019 to help lead the growth of Debenhams, following the completion of its restructuring, but due to the unforeseen COVID-19 pandemic their role will not be required during an administration period. As a group they remain supportive of Debenhams' future and look forward to its reemergence.
